As we go into our 17th year of trading, personal service is still our main aim!

We will continue to do what we have always done; know our customers, help them to enjoy an amazing holiday in a safe environment.

"Active" remains committed to offering you best value for money. Our holidays are generally based on half-board to give you greater flexibility and the freedom to choose.

We offer adults with a learning difficulty the opportunity to experience a holiday packed with fun and laughter, in an atmosphere that does not compromise their independence. Our holidays are particularly suitable for young adults aged between 17 and 45. However, if you are older than that and still looking for a lively, fun-filled holiday and something catches your eye then please give us a call. Nobody will be excluded by age alone!

The most important thing will be if the holiday is right for you and meets your requirements as well as those of the group as a whole! Existing customers know that you are often re-united with old friends, however, new customers rest assured, we will always try to place you with a group of people with similar interests. We always try to keep our holidays fresh, with new ideas, new activities and with our variety of daily outings – one thing we do know is "you will never get bored".

As many of you will know, prior to providing "Active" holidays I worked in social care, gaining professional qualifications along the way (1974-2004) obviously quite a long time to gather experience and knowledge. I continue to accompany as many holidays as possible myself.
